**THE ABOVE INFORMATION MUST BE PROVIDED PRIOR TO ADMISSION ON THE FIRST DAY OF SCHOOL.**

**\*NOTE:** Students entering kindergarten for the school year will be required to have a second MMR in addition to the following immunizations: Chicken Pox vaccine (Varicella) and the Hepatitis B series. If your child is entering kindergarten and has not received these immunizations, please make arrangements to have them done. Grades 6 through 8 are now required to have the following: Chicken Pox vaccine (Varicella) and the Hepatitis B series.

**Immunizations must be up-to-date before your child can begin school.**
